How to Share Your Basket on our website?

Topping up supplies for your school or nursery doesn't need to be time-consuming. Our Share Basket feature makes it easy for teachers and staff to collaborate on orders - even if they don't have an account. Here's how to do it in just a few clicks:

1. How it works

Click on the "Basket" icon on the homepage to get started.

The screenshot displays the FINDEL website homepage. At the top, there is a navigation bar with the FINDEL logo, a search bar, and user account icons. Below the navigation bar, a green banner contains category links: Early Years, Curricular, Art & Design, Stationery & Office, Furniture, Exercise Books, Sport, Science, SEND, Facilities, IT & Hardware, and Clearance. A white notification box below the banner states: "The last day to order for delivery by Friday 19th December will be Thursday 18th December. All orders placed after this date will be delivered from Friday 2nd January 2026 onwards." The main content area features a central text block: "The leading global supplier of educational resources." This is flanked by images of art supplies, a science experiment, and children playing. Below this is a "Shop by category" section with a carousel of images representing different product categories, including art, science, and sports equipment.

2. Review Your Basket

You'll be taken to your current basket. Make sure everything you want to share is listed and click on "Share basket via email".
